GENERAL INFORMATION

To apply for coverage, You or someone on Your behalf must complete and sign Our Visitors to Canada application for insurance form not more than 180 days before the Effective date of coverage, and return it to Us with Your payment of the required premium.

Family Coverage is available if all family members are under Age 60 and You have purchased and paid the premium for Family Coverage. Family Coverage covers You, Your Spouse, and Children while travelling together and named on the Confirmation. Children must be at least 15 days of Age to be insured under this policy.

You must meet the following eligibility requirements on the departure date of each trip in order to be eligible for coverage.

Coverage is NOT AVAILABLE if, on departure date, you:

- a. are travelling against the advice of a physician;
- b. have been diagnosed with or been given a life expectancy of 6 months or less;
- c. have been prescribed and/or used home oxygen within the past 24 months;
- d. have been prescribed or recommended the use of dialysis in the last 12 months;
- e. are under 15 days old, or are age 89 years or older;
- f. reside in a nursing home, home for the aged, other long-term care facility or rehabilitation center;
- g. require assistance with activities of daily living;
- h. Are awaiting or received an organ transplant;
- i. Have ever had any cancer with metastasis (which includes positive lymph nodes), or undergone chemotherapy (of any form, except cream) in the last 6 months;
- j. have been diagnosed with or treated for Congestive Heart Failure

Your coverage starts on the later of:

- the Effective date of insurance as shown on Your Confirmation; or
- the time and date You arrive in Canada from Home.

Except for losses resulting from any Injury, coverage will begin 48 hours after the Effective date if You purchase Your policy:

- after the Expiry date of an existing policy issued by Us; or
- after You leave Home.

When coverage is purchased prior to leaving Home with an Effective date equal to the date and time You are scheduled to arrive in Canada, coverage will also be provided with no additional premium during Your uninterrupted flight directly to Canada. An uninterrupted flight can include a stop-over provided You do not leave the airport.

ANY MODIFICATION TO YOUR EFFECTIVE/ARRIVAL DATES MUST BE DONE PRIOR TO YOUR EFFECTIVE DATE.

Your coverage ends on the earliest of the following:

- each time You leave Canada to return Home;
- when Your policy expires as shown in Your Confirmation;

- when You become a resident of a nursing Home, Home for the aged, or other long-term care facility during Your Trip;
- 365 days after Your Effective date of insurance; or
- the first day You become insured under a provincial government health insurance plan.

When coverage is purchased prior to leaving Canada to return Home with an Expiry date equal to the date and time You are scheduled to leave Canada, coverage will also be provided with no additional premium during Your uninterrupted flight from Canada directly Home. An uninterrupted flight can include a stop-over provided You do not leave the airport.

During Your coverage period, if You return Home under the Trip Break allowance (see paragraph 15 of Section 8 below), Your Visitors to Canada coverage will be suspended but not terminated and when You return to Canada, Your policy coverage will resume provided You are still eligible for coverage. There will be no refund of premium for any of the days during Your return Home.

Insurance coverage for side-trips outside Canada

This insurance provides coverage while travelling outside Canada (excluding Your Home country), as long as each side-Trip originates and terminates in Canada and does not exceed 51% of the period of coverage already spent in Canada and cannot exceed 30 total days.

During Your coverage period, if You take a side-Trip outside of Canada that is longer than that permitted in this policy, Your Visitors to Canada coverage will be suspended for the remainder of Your side-Trip but Your coverage will not be terminated. When You return to Canada, Your coverage will resume.

Our policy allows you to make a temporary return to your country of origin. No insurance coverage will be provided in your country of origin and if you receive any treatment during this temporary return, any treatment relating to that medical condition will not be covered for the remaining period of coverage.

Automatic extension of Your coverage is provided beyond the date You were scheduled to return Home as per Your Confirmation if:

- Your Common Carrier is delayed and prevents You from travelling on Your Expiry date. In this case, We will extend Your coverage for up to 72 hours;
- You or Your Travel Companion are Hospitalized on Your Expiry date. In this case, We will extend Your coverage during the Hospitalization up to a maximum of 365 days or until, in our opinion, You are Stable for discharge from the Hospital or for evacuation Home, whichever is earlier, and for up to 72 hours after discharge from the Hospital;
 - NOTE: This benefit only applies to those insured by “the Company” and when the Hospitalized individual is insured by “the Company”.
- You or Your Travel Companion have a Medical condition that does not require Hospitalization but prevents travel on Your Expiry date, as confirmed by a Physician. In this case, We will extend Your coverage for up to 5 days.

To extend Your coverage:

If Your coverage period, as shown in Your Confirmation, is less than 365 days, You may extend Your coverage up to a total coverage period of 365 days. If You have had no change in Your health status and have had no event that has resulted or may result in a claim against the policy since the Effective date of insurance, the extension may be issued upon request and Your payment of the required premium. Otherwise, the extension is subject to the approval of the Company. In order to avoid the waiting period, purchase Your extension of coverage before the Expiry date of Your existing Visitors to Canada policy issued by Us.

To obtain a refund of premium:

Other than the "10 Day Right to Examine" on page 1, a refund for unused days will be allowed, subject to the following administration fees, which will be deducted from Your refund and a minimum of \$20 is available:

- a) If You are cancelling Your policy, that was identified as a super visa policy, because Your application for a Parent and Grandparent Super Visa was refused or rescinded You must provide proof of visa refusal or proof of rescinded application with Your request for a refund, which will be subject to a \$100 fee. **You are not eligible for refund should You wish to cancel for any other reason not listed above on a super visa plan.**
- b) If on any policy other than a super visa Your request for a refund is received more than 10 days after the date of purchase but before the Effective date of Your insurance, a refund less a \$100 fee.
- c) If you obtain Canadian provincial government health insurance plan coverage, or return Home before the date You were scheduled as per Your Confirmation, and have not reported or initiated a claim, a partial refund of the premium for the unused days of Your Trip is available less a \$50 fee for the Standard and Enhanced Plan and a \$25 fee for the Gold and Platinum Plan. You will need to provide proof of the date You arrived Home or the Effective date of Your Canadian government health insurance plan coverage. Simply contact your broker of record or AwayCare to ask for a refund.
- d) If You hold a Parent and Grandparent Super Visa and have purchased 365 days of coverage, and are requesting a partial refund due to Your early return to Your Home or departure from Canada and:
 - have had no claim that has been reported, paid or denied,
 - unused premiums may be refunded less a \$50 fee for the Standard/Enhanced Plan and a \$25 fee for the Gold/Platinum Plan when You have provided proof of return to Your Home or departure from Canada.
 - have reported a claim or have a payable claim for which the payment has not been issued or the total amount of all reported eligible claim expenses will not exceed the deductible amount, if applicable,
 - You may apply to have such claim withdrawn and, subject to Our approval, the unused premium may be refunded less a handling fee, which will be deducted from any amount to be refunded.

If You have submitted a claim that has been paid, no refund is possible under this policy.

Documentation such as but not limited to passport photos, airline boarding passes and others may be required as proof.

A written request to cancel this policy must be received within 60 days following the date You return Home along with proof of Your departure from Canada. In no event will We back-date a cancellation to a date more than 60 days prior to the date of receipt of Your cancellation request. If Your cancellation request is received more than 30 days following the date You returned Home, We will require a copy of every page of Your passport to verify that You did not visit Canada between the date You returned Home and the date You submitted Your refund request. Once any refund of premium has been requested, no expenses will be accepted for consideration under the policy, regardless of the date the expense was incurred.

In the event of payment of benefits under this policy, the Insured Person gives the Insurer the right to exercise, by subrogation, all of his/her rights of recovery against any third party. The Insurer will be entitled to a full recovery for all payments made in respect of the insured Event. In accepting this policy, the Insured Person agrees

to produce all documents required and to do what is necessary within his/ her power to secure such rights to the Insurer. Lack of compliance and cooperation from the Insured Person may result in denial of claim. There will be no benefit or payment under this policy if the Insured Person receives compensation from a third party for claims made under this policy. The Insured Person may not claim or receive, from all the parties involved, more than 100% of the loss arising from an insured Event.

To whom will We pay Your benefits if You have a claim?

Except in the case of Your death, We will pay the expenses covered under this insurance to You or the provider of the service. Any sum payable for loss of life will be payable to Your estate. The benefits of this policy cannot be assigned to a third party without the Insurer's written authorization. You must repay Us any amount paid or authorized by Us on Your behalf if We determine that the amount is not payable under Your policy. All amounts shown throughout this contract are in Canadian dollars. If currency conversion is necessary, We will use Our exchange rate on the date You received the service outlined in Your claim.

We will not pay for any interest under this insurance.

Is there anything else You should know if You have a claim?

In the event of a dispute over the reimbursement of a claim, the Insured Person must request in writing that the revision committee reassess the claim before taking any legal action. The request must be sent in writing 30 days of the receipt of the written position from the Insurer. The committee will take into consideration all pertinent information provided by the Insured Person and a decision, based on the insurance policy provisions and conditions, will be rendered in writing within thirty (30) days of the receipt of the revision request. Send requests for claim revision to: CLAIMS REVIEW COMMITTEE LS-Travel, Insurance Company 247, Thibeau Blvd, Trois-Rivières, Quebec G8T 6X9.

If You disagree with Our claim decision, the matter may be submitted for judicial resolution under the applicable law(s) of the Canadian province or territory where Your policy was issued.

Every action or proceeding against an insurer for the recovery of insurance money payable under this contract is absolutely barred unless commenced within the time set out in the Insurance Act, limitations legislation or other applicable laws or regulations in the applicable province.

To determine the validity of a claim under this policy, We may obtain and review medical records from Your attending Physician(s), including the records from Your regular Physician(s) at Home. These records may be used to determine the validity of a claim, whether or not the contents of the medical records were made known to You before You incurred a claim under this policy. In addition, We have the right, and You shall afford Us the opportunity, to have You medically examined when and as often as may reasonably be required while benefits are being claimed under this policy. If any of Your answers are found to be incomplete or inaccurate, Your coverage will be void which means Your claim will not be paid.

You authorize the Insurer to obtain his/her medical records and any other information the Insurer may deem necessary from any entity including Physicians, dentists and health organizations, and commits to signing an authorization allowing the Insurer to obtain that information in the event of a claim.
